

Gatwick International Airport: BCP

{chronocontact}BCP{/chronocontact}

This off-airport car park is located on Gatwick's perimeter road. BCP boasts excellent levels of customer care and car park security. Airport transfer time is approximately 10 minutes.

Security and insurance at BCP Gatwick

The BCP car park at Gatwick is a holder of several Parking Security Awards including the AA Gold Secure Award. Security features include CCTV, security barriers and regular dog and staff patrols. BCP insures customers against damage resulting from any proven act of negligence on the part of its servants/agents.

Getting to BCP Gatwick

Exit the M23 at junction 9 and head towards Gatwick Airport. At the next roundabout follow signs to the North terminal. At the following roundabout take the 4th exit signposted A23 Redhill and Crawley. Join the A23 northbound, get into the right hand lane and go all the way round the roundabout and take the exit signposted A23 Crawley. Stay on the A23 southbound, once you reach the first roundabout, go straight over. At the next roundabout, take the second exit for Lowfield Heath/Charlwood. Follow the road 200 yards to the mini roundabout and then turn left into Charlwood Road. You'll find the BCP car park about 1.5 miles ahead on the right hand side.

Parking procedure at BCP Gatwick

Once you reach BCP Gatwick, simply enter the car park through the barrier, park in the hatched area on your left as signposted and check-in with the BCP parking reception. You're advised to leave a minimum of 30 minutes for the check-in procedure.

Transfers from BCP to Gatwick Airport

BCP offer a fleet of comfortable courtesy buses to transport you to the airport. Transfer time to both the North and South Terminal is approximately 10 - 15 minutes.
