## PAS &ndash; Gatwick Airport

This meet and greet service makes it easy to get to Gatwick without the worry of first finding the car parking. A PAS representative collects and park your car securely for the duration of your trip. On your return to Gatwick, they'll deliver your car to the terminal, as arranged so you can make a swift exit.

## Security and insurance at PAS Gatwick

With the PAS valet service your car is placed in their responsibility from the moment you arrive at the airport. For the duration of your trip, your vehicle will be stored in a nearby secure compound.

## Getting to PAS Gatwick

With PAS, you are met at Gatwick so there are no complicated directions to follow. Just follow your normal route to Gatwick, from the M23, exit at Junction 9. Conversely, from the A23 just follow the signs to Gatwick Airport.

## Parking procedure at PAS Gatwick

The service is all pre-booked and you don't need to park your own car. When making your booking include your telephone number so PAS can contact you to arrange specific collection requirements and fill you in on procedures to make this service as smooth as possible.

Approximately ten minutes before you arrive at the terminal, telephone PAS so a representative can be ready to meet you.

## Transfers from PAS to Gatwick Airport

This is a meet and greet service so there's no need to worry about transfers from the car park to the airport. PAS will take care of this on your behalf.
